## CSSHL LEAGUE MISSION STATEMENT

TO BE NATIONAL LEADERS IN EDUCATION-BASED HOCKEY

## ABOUT THE CSSHL

In 2009, five like-minded Hockey Canada Sport Schools came together to launch the Canadian Sport School Hockey League. Their vision was to establish a league designed specifically for elite level student athletes, give these athletes an opportunity to increase their skills on and off the ice, and provide athletes with a high level of competition as well as exposure.

The inaugural 2009-10 season featured five sport schools and eight total teams spread across two divisions. During the 2022-23 season, the CSSHL features 27 sport schools and 99 teams in 8 different divisions.

All programs within the CSSHL are sanctioned Hockey Canada Accredited Schools, meeting the regulations of not only Hockey Canada, but BC Hockey, Hockey Alberta, Hockey Saskatchewan, and Hockey Manitoba.

The CSSHL continually strives to be a leader in education-based hockey in North America with Hockey Canada registered Sport Schools. The objective of the league is to provide a competitive environment for young student athletes that share similar values of Sportsmanship, Citizenship, Academic Excellence and Hockey Development.

## **Andy Oakes / CSSHL Chairperson**

On behalf of the Board of Governors we are excited to host all 86 teams bringing more than 1,600 student athletes to the annual CSSHL Western Championships. We would like to welcome all of the teams, scouts, officials, guests and a special welcome to the families that participate in cheering on these young student athletes. We hope that you will enjoy your time in Penticton and that all of the teams and families will have a memorable experience both on and off the ice.

The CSSHL Championships would not be possible without the support of our partners. We would also like to thank our corporate sponsors for their continuous and generous support:

Congratulations to the athletes, coaches, team officials and parents. We know you've all been working hard, waiting for this moment. We, too, have been counting down for the time when we can open the gates again to host this major event.

Well, that time has come. The Zambonis are switched into gear, seats are ready to be filled and goals soon to be scored. We can't wait to see your energy and dedication return to the ice. Penticton is an enthusiastic hockey town and we know our community will give you a warm welcome. This is the seventh time our City has hosted the event – and we trust this tradition will continue for many years to come.

We invite you to explore our city and enjoy all the experiences this opportunity has to offer. It's your time. We wish you a successful event and – most of all – to create memorable moments that you'll take with you into the future.

See you on the ice!

Yours truly,

Julius Bloomfield  
Mayor

Dreaming about calling  
The Okanagan home?

This is an exciting week for the players, teams and families and the culmination of a lot of hard work, sacrifice and dedication by everyone involved. I am proud to partner with the CSSHL in bringing this great event to Penticton.

Having enjoyed a 20+ year career with the Vancouver Canucks, I am excited to now call the Okanagan home. Bringing my business acumen and love for the Okanagan together, I proudly serve my clients as a Real Estate Advisor with the global presence of Engel & Völkers. Curious about the Okanagan real estate market, let's connect. I welcome the opportunity to discuss your real estate interests, show you some houses or just chat about hockey while you are in town.

Please reach out to make an appointment or stop by our booth while you are at the arena.
