CSSHL LEAGUE MISSION STATEMENT
TO BE NATIONAL LEADERS IN EDUCATION-BASED HOCKEY

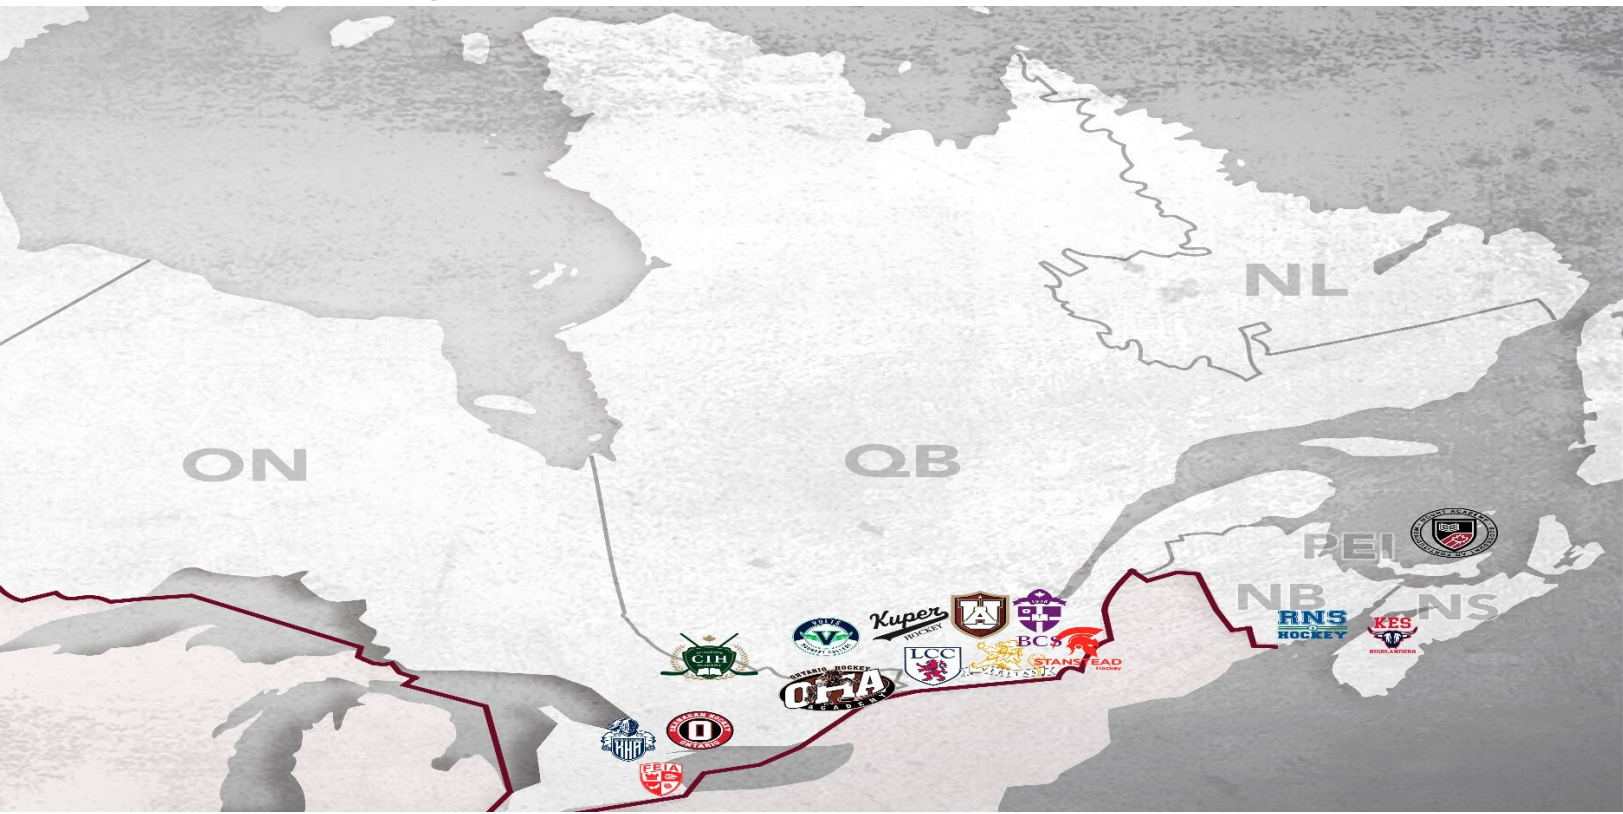

ABOUT THE CSSHL

In 2009, five like-minded Hockey Canada Sport Schools came together to launch the Canadian Sport School Hockey League. Their vision was to establish a league designed specifically for elite level student athletes, give these athletes an opportunity to increase their skills on and off the ice, and provide athletes with a high level of competition as well as exposure.

The inaugural 2009-10 season featured five sport schools and eight total teams spread across two divisions. During the 2025-26 season, the CSSHL features 38 sport schools and 129 teams in 8 different divisions.

All programs within the CSSHL are sanctioned Hockey Canada or Hockey USA Accredited Schools, meeting the regulations of not only Hockey Canada/Hockey USA, but their provincial or state branch as well.

The CSSHL continually strives to be a leader in education-based hockey in North America with Hockey Canada registered Sport Schools. The objective of the league is to provide a competitive environment for young student athletes that share similar values of Sportsmanship, Citizenship, Academic Excellence and Hockey Development.

Andy Oakes / CSSHL CEO

On behalf of the CSSHL, welcome to the CSSHL Eastern Championships in Saint-Roch-de-l'Achigan, QC!

We are excited to welcome our student-athletes from across 15 programs and 23 teams to the city over the next few days. We are also pleased to welcome a record number of scouts and officials to the event along with family, friends and special guests who are here to celebrate and support our players.

The CSSHL remains one of the fastest growing programs within the game of Hockey in Canada and we remain committed to our mandate to develop and mentor young student-athletes, both athletically and academically, while encouraging their personal growth as young women and men. We could not be prouder of our student-athletes.

Thank you for being here to cheer them on over the coming days!
